REFUND POLICY: All Passes purchased are non-refundable. If Swiss Valley is unable to open at all due to COVID - 19, or any other reason, all pass monies paid will be applied to the 2024/2025 Ski Season. However, once we open and start operating, we will not be giving refunds in the event of a government mandated shut down, or any other reason. We are taking the risk and bearing the considerable expense of getting open and making the snow up front to prepare for the season. We understand that in order to take advantage of our best pricing options, you will also be taking the risk of purchasing a Season Pass or Punch Card in advance. If you are uncomfortable with this, we recommend waiting and purchasing daily lift tickets. Please note that skiing and snowboarding is a healthy, outdoor activity with built-in social distancing.
